mdshajith09@gmail.com

OBJECTIVE

Passionate and driven Computer Science student specializing in AI/ML with a strong foundation in full-stack development technologies. Currently pursuing B.Tech at AMET University through the innovative Kalvium integrated program. Demonstrates proficiency in front-end technologies (HTML, CSS) and backend programming (Java, C++). Actively developing practical skills through hands-on projects, including portfolio development and secure file management systems. Committed to continuous learning and skill enhancement in the full-stack development ecosystem.

EDUCATION

B.Tech in Computer Science Engineering (AI/ML) - 2029 (Expected)

AMET University,

Chennai

Kalvium-Integrated Program

Higher Secondary Education - 2025

Bishop Corrie AI Hr sec school,

Chennai

HSC(75%)

PROJECT

Portfolio Website

Designed and developed a responsive personal portfolio website showcasing technical skills and projects

FileCrypt : Secure File Manager System (On Progress)

- Currently developing a console-based secure file management application using Core Java
- Implementing file encryption/decryption algorithms to ensure data security and privacy
- Applying object-oriented programming principles for modular and maintainable code architecture
- Focusing on user authentication, file operations, and secure data handling mechanisms

SKILLS

- HTML
- CSS
- Core Java
- Bootstrap
- DSA
- Problem Solving
